

# Fax Partner Sales Overview

**From any fax machine straight to your customers' email inbox - and vice-versa!** Fax services from The Very Good Email company do exactly what they say on the tin: no fuss, no fax hardware and no software. Simple.

## Features

<input checked="" type="checkbox"/> <b>Fax-to-email</b> - Receive faxes from any fax machine direct to email inbox.	<input checked="" type="checkbox"/> <b>Email-to-fax</b> - send to any fax machine from your PC, laptop, tablet, mobile, or Mac.
<input checked="" type="checkbox"/> <b>No Fax Machine</b> – completely replaces the Fax Machine – no hardware or line rental!	<input checked="" type="checkbox"/> <b>Range of Numbers</b> 0872, 0844 or UK local numbers available.
<input checked="" type="checkbox"/> <b>Number Porting</b> - transfer existing fax numbers - subject to Telco requirements/limitations.	<input checked="" type="checkbox"/> <b>Online Control</b> - simple and effective management using your Partner Control Panel.
<input checked="" type="checkbox"/> <b>The Greener Way To Fax</b> No environmentally unfriendly toner, no wasting reams of expensive paper and save on electricity too.	<input checked="" type="checkbox"/> <b>Easy Storage</b> As faxes are converted to electronic format it makes storage and archiving of faxes a breeze – no scanning required!
<input checked="" type="checkbox"/> <b>Re-brandable</b> - register your own fax domain	

## Business Drivers

- **Portable** - send and receive faxes anywhere on the globe
- **Flexible**
- **Send your faxes as email attachments.** Just compose an email, attach the fax, and send it to and we deliver it to the destination fax machine.
- **Easy storage of received faxes** - already in .pdf format
- **Save money** - no need for a dedicated fax line, or fax machine
- **Green** - save on fax paper, toner and power

## Competitors

**eFax** - a lot more expensive and hidden costs. Not UK focus

**Pros:** We are extremely good value, high performance, wide range of UK numbers

## Fax Service USPs

- **'In the Cloud'** – no hardware, software or management overhead
- **Simple to set up and configure**
- **Built by email experts**
- **Range of UK numbers available** - including UK-wide local numbers
- **Great reputation!**
